CROSS CULTURAL OR FIELD EXPERIENCE REQUIREMENT

Student Name _____ **Class** _____ **PUID #** _____

Prior to the second semester of the senior year, each student must have completed a requirement for approved cross-cultural or field experience. There are several ways to fulfill this requirement listed below. If you have already fulfilled this requirement, please indicate by checking the appropriate line and by providing a description that includes the time, place, duration, and the nature of the program or work you completed.

☐ PIIRS Global Seminar-International Location (must be at least four weeks)

☐ Policy Advocacy Clinic

☐ Princeton's Bridge Year Program

☐ Public Policy relevant work domestically and abroad (must be full-time for at least six weeks)

☐ Semester study abroad (fall or spring)

☐ Summer language study abroad through Princeton (must be at least four weeks)

☐ Minimum of 240 hours of service in an underserved community (can either be at least six weeks full-time or over the course of an academic year). Eligible community service work must involve policy work that will enhance one's learning and understanding of public service.

☐ Summer internship doing policy work in a non-profit, government or international agency (must be full-time for at least six weeks)

☐ Thesis field research for at least four weeks

Description of experience you have checked above including the start and end dates, number of hours per week, and attach any official documentation you may have:
