Multiple Submission Regulation

Sometimes students wish to include in their thesis material that they produced for another course or for their JP. Please note the University's rule regarding multiple submission of material:

*Under certain conditions, the student may be permitted to rewrite an earlier work or to satisfy two academic requirements by producing a single piece of work, more extensive than that which would satisfy either requirement on its own. In such cases, however, the student must secure, **in writing**, prior permission from each instructor involved.*

Students should complete the following multiple submission form and submit it to the Undergraduate Program Office one month prior to submitting their thesis.
