\$360

Food: \$380

Child Care: \$240

Healthcare: \$240

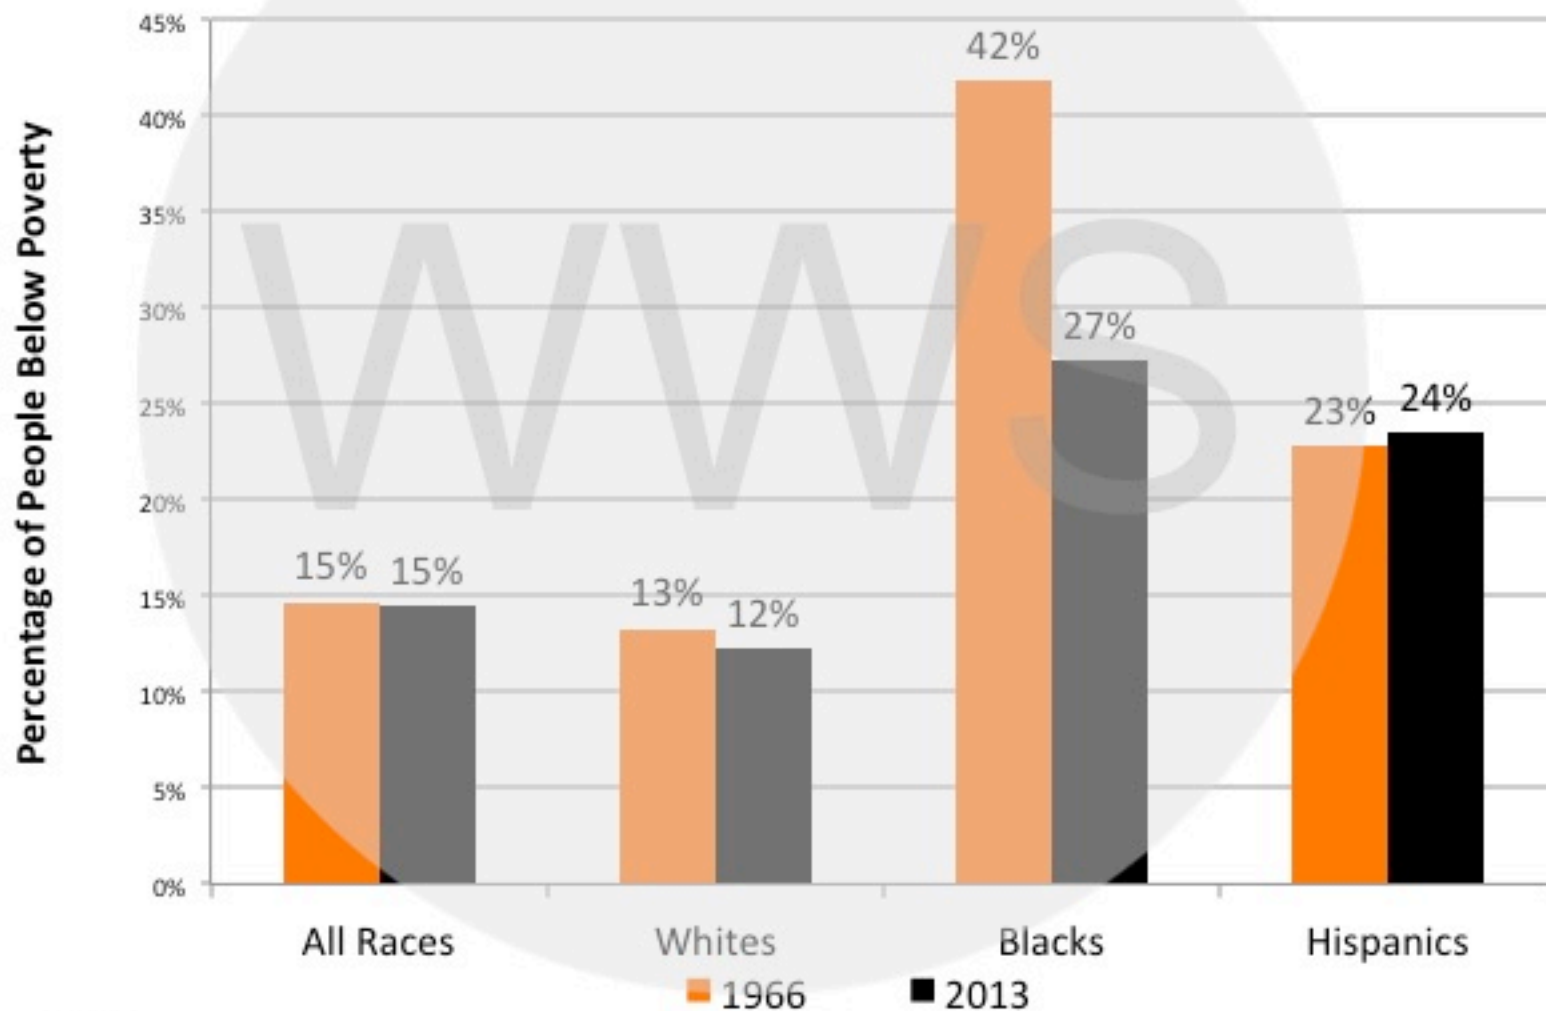

Lost Wages: \$120

Assistance: \$120

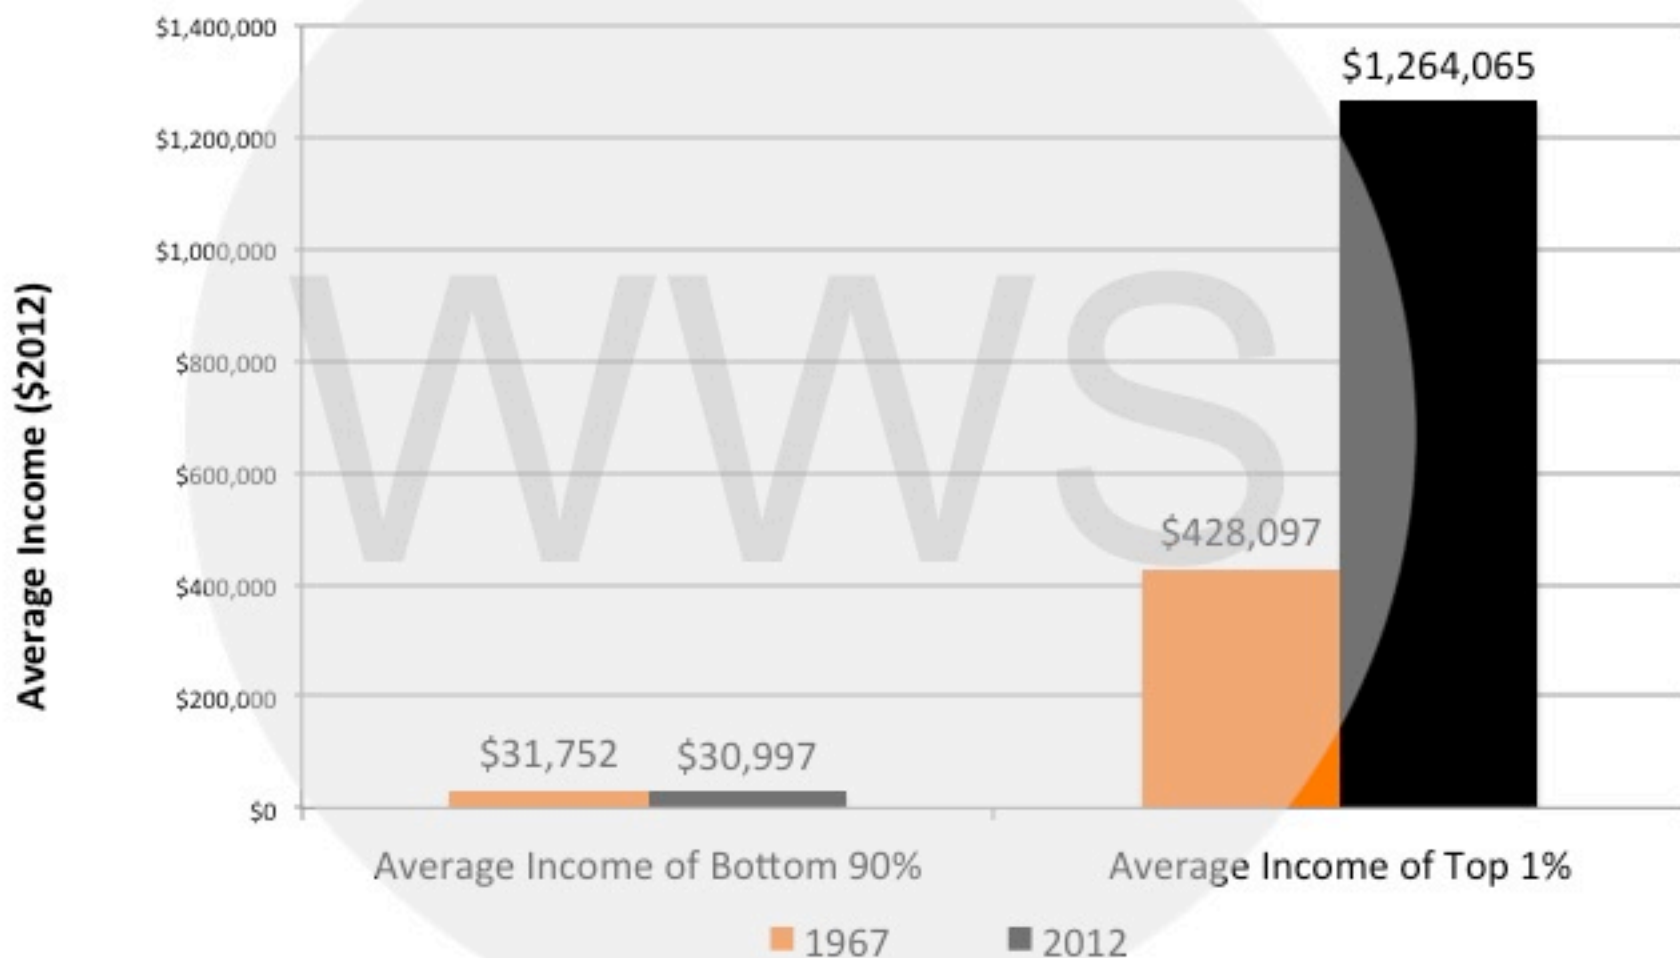

= (\$80.00)

There has been little progress in poverty overall, although some for blacks.

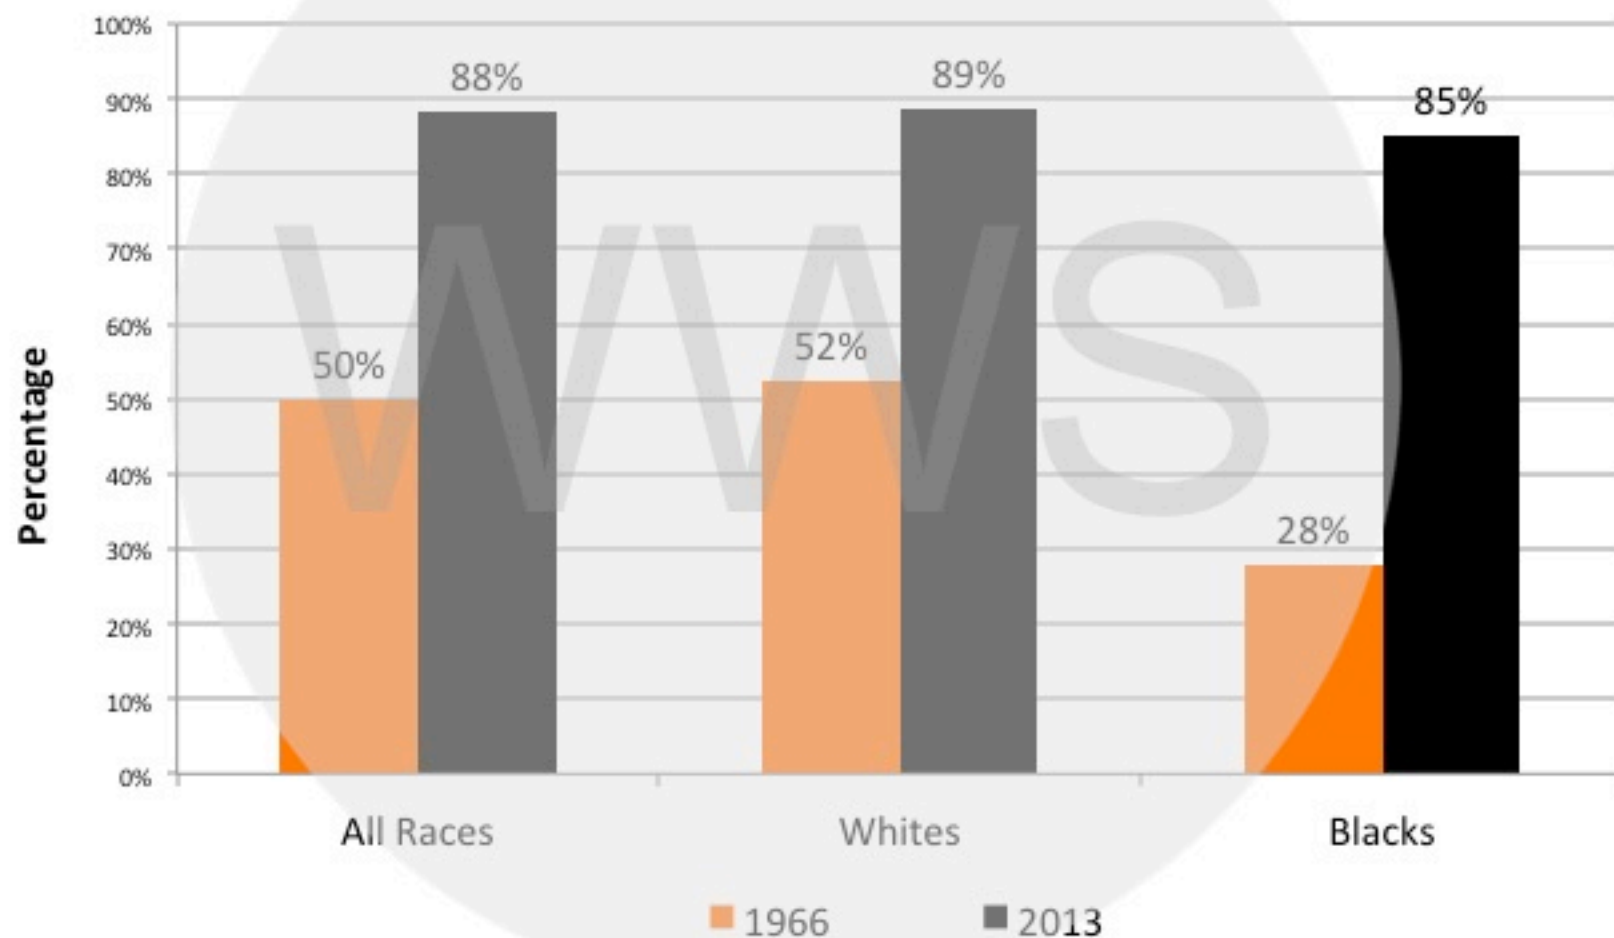

Source: U.S. Census

Economic growth has not been shared.

Today, the vast majority of adults in the U.S. have completed high school.

And we've made great strides in college attendance and completion.
